Tuition and Expense Policy

Tuition is based on an annual fee (8 months of classes). Tuition will and can be divided into monthly installments for your convenience: 8 monthly installments due by 15th of each month and late by the 18th of the month.

Payment should be submitted via your parent portal account. Cash or check not accepted.

We offer a 10 percent discount to families of 2 or more.

There are no tuition refunds. We cannot credit account tuition for missed classes.

Please note: tuition is based on the season regardless of how many weeks are in a given month. Tuition payments average out to four weeks of classes each month. Dancer's Pointe uses a sliding scale to calculate tuition. Add up the amount of time per week of classes, then slide over and find the rate of tuition.

Class time per week	Monthly Installment	Class time per week	Monthly Installment	Class time per week	Monthly Installment
